Time management

Rule 1: Goal Setting: Write list of goals/desires you want to achieve at back of this paper.

Prioritize the goals in order; high priority or/and hard task goal will stay at Goal number 1.

Goal 1	
Goal 2	
Goal 3	
Goal 4	
Goal 5	
Goal 6	
Goal 7	
Goal 8	
Goal 9	
Goal 10	

Steps to achieve goals:

1. Decide exactly what you want
2. Write it down
3. Set a dead line on your goal; if necessary split the main goal in to sub goals and set sub deadlines for each sub goal.
4. Make a list of everything you can think of that you are going to do to achieve goal.
    a. As you think of new activities , add them to your list
5. Organize the list into plan
    a. Organize the list by priority and sequence
6. Take action on your plan immediately
7. Resolve to do something every single day that moves you towards your major goal.
    a. Build this activity in to your daily schedule.
